

New Coverage in Accounts Receivable in 2010

At SES, we have an exciting change in the Accounts Receivable department for the new year! Effective 1/4/10, Debbie Ryan will handle the Colorado branch in place of Kansas and Karen Wise will handle the Kansas branch in place of Colorado.

In addition, Karen Wise's hours will now be from 8:30 a.m. until 5:30 p.m. After analyzing our incoming calls, we feel we will better serve you having her in earlier each day.

Both Debbie and Karen are experts at what they do and this transition should be made seamlessly. As always, if you have any questions, please contact [Debbie](#) or [Karen](#) by email, or simply call our toll-free number at 1-800-325-0221, ext. 240 for Debbie or ext. 243 for Karen.

Our hope is that the new changes within the Accounts Receivable department will allow us to make business life easier for you, because you're the very reason it's possible for us to still be here working, growing and serving you. At SES, we've always said that "the difference is the way we do business," and it's still true today.

Best regards,

Your SES Team
