

SES Vendor Days

This year, celebrate the holidays with SES! Gaining a FULL MONTH of specials, trainings and giveaways, the **2009 SES Vendor Days** will be the best one yet! Make sure to call or stop by any of our 12 branches between **November 2 and December 23** to take advantage of everything our vendors have to offer!

At SES Vendor Days, you will enjoy great prices on many products and see informative product demonstrations. This is an incredible opportunity to meet one-on-one with the vendors, get answers to your technical questions and take advantage of additional special savings and giveaways!

During SES Vendor Days, National Training Center is offering a chance to **win your choice of one FREE NTC Professional Reference Book** (a \$115.00 value)! Call or visit your local SES branch between November 2 and December 23 to enter your name in a drawing which will be held in each of the branches on Wednesday, December 23 at the holiday parties. Also enjoy a great giveaway from LSD, great savings from GRI and so much more! Call or visit your local branch to learn more about the offers in your area.

Also, take part in our holiday food day at all SES branches on Wednesday, December 23. Take a break, enjoy great food with friends and celebrate the holidays with SES! Ask your SES sales representative how you can save money on your low voltage needs and gain helpful industry knowledge while enjoying a delicious holiday lunch at any of our 12 branch locations!

Security Equipment Supply, Inc. (SES) has been a low-voltage distributor since 1982. SES started with one branch in St. Louis, and has now grown into 12 locations throughout the Midwest including Kansas City, Detroit, Milwaukee, Indianapolis, Memphis, Nashville, Louisville, North and South Chicago, Omaha, and Colorado Springs. SES is committed to the success of its customers and their satisfaction. For more information about our locations, visit www.sesonline.com/Locations.html.
